Re: Sylla et al., v. Amazon Labor Union et al.
Civil Case No. 23- 05261 (AMD)
Request to Reschedule November 30, 2023 Conference

Dear Magistrate Merkl:

With great apologies, I again have to ask for an adjustment of our conference.

When I last wrote I was under the impression that an arbitration calendar that I was scheduled to appear at for the morning of November 30 had been cancelled. That calendar (attached) was not, in fact, adjourned, and starts at 9:30am. I expect a lot of the hearings will move fast because management hasn't issued its Pre-Arbitration decision on the grievance in question and those grievances generally get remanded. We should be finished with the calendar by 11:45.AM. Could we have the conference with you at noon on the 30th?

Thank you for your consideration.

Respectfully submitted,
